

INTERNATIONAL CENTER FOR TEACHING PERSIAN TO NON-PERSIAN SPEAKERS

International Center for Teaching Persian to Non-Persian Speakers gives you an opportunity to learn Persian for everyday life, your job, or preparation for university studies or if you just want to speak Persian for the fun of it in the short term.

Our program in Iran is appropriate for everyone at any age and from any country.

You'll be learning in group and individual class, speaking Persian right from the first lesson and in your everyday activities and leisure hours. you will have the opportunity to put what you have learned into practice. This ensures that you will learn effectively while having fun.

We offer extracurricular activities such as Persian calligraphy, painting and traditional music along with Persian courses.

Teachers

The teachers at the *International Center for Teaching Persian to Non-Persian Speakers* in Iran hold university degrees and are specialized in teaching Persian as a foreign language. Our committed and professional teaching staff keeps the lessons stimulating with a wide variety of practical techniques and methods to meet the best results.

Courses and Certificates

Our modular course system allows you to decide whether to learn for short or long period with a complete and systematic structures language learning program.

Our courses are offered all year round. They are available at all levels with each course building on the contents of previous one.

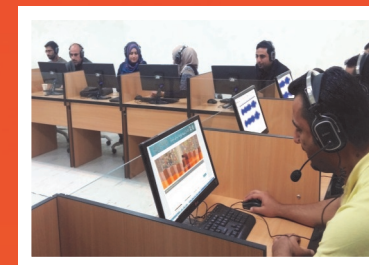

The courses are focused fully on four main skills of listening, speaking, reading and writing. Right from the very first lesson you will be taught exclusively in a small group.

At the end of each level will be presented with an international certificate accredited by the ministry of Science, Research and Technology of Iran.
